

## NEAR ZERO IS PROMISED BY TONIGHT

Cold Wave, Country-Wide, Will Continue Several Days, Weather Bureau Says.

### MERCURY SINKS RAPIDLY

The cold wave has arrived. Misses the stout and heavy storms which have nearly paralyzed the Northwest, the cold wave predicted two days ago by the weather forecasters arrived last night on the wings of a gale. This morning the thermometer registered 16 degrees as the lowest point reached during the night. No relief is promised. The weather forecast today says it will be "cold" tomorrow.

There was a light snow fall early this morning and for a time it seemed there would be a heavy precipitation but it did not continue. In the mountains it is reported there is about two inches.

The coldest report came from Indian Head, Pa., that place the mercury scurried down to 12 degrees and at Rockwood 14 degrees was reported at 8 o'clock this morning. At Sand Patch the temperature was 16 degrees at 8 o'clock.

The temperature drop was one of 30 degrees in Connellsville. The mercury registered 66 degrees yesterday afternoon as the highest point. Then, with the coming of night, it began to drop rapidly. At 11 o'clock this morning the mercury was still standing at 20 degrees.

As predicted by the official forecasters the present wave is the coldest of the season. It is further predicted that it will remain for quite a period.

CHICAGO, Dec. 20.—At least 15 persons were killed as a result of the sub-zero weather continuing over the Middle West, according to data obtainable today. Four were killed at Milwaukee, three in Oklahoma, two in St. Louis, two in Chicago, two in Detroit, one near Kansas City, Mo., and one in Kansas. The deaths were due to fires from overheated stoves, falls on icy sidewalks, traffic accidents, and exhaustion.

The police weather should lift from this territory within the next 36 hours, the Weather Bureau stated. In the meantime the Middle West is struggling with the task of clearing the tangled mass of broken telegraph and telephone wires and poles which have disrupted communication and slowed up railroad and interurban service. Trains between Chicago and St. Louis are down to eight hours late. Temperatures of 40 below zero are reported from Montana, 34 below in Minnesota, 30 below in Wisconsin and 28 below in North Dakota.

PITTSBURGH, Dec. 20.—Western Pennsylvania today is in the grip of the first real winter weather of the season. Temperatures dropped an average of 40 degrees in the last 24 hours. At 10 A. M. in Pittsburgh it was 11 degrees and tonight the mercury will drop to about five above zero, according to Forecasters W. S. Brown and J. H. Brown.

The low temperature will prevail for several days.

WASHINGTON, Dec. 20.—Weekly weather forecast for the North and Middle Atlantic states places the entire week, mostly fair, is indicated, although there is some probability of snow about the middle of the week.

Unrelenting Efforts for Extension Promised by Brown and Henderson.

### IS ON PREFERRED LIST

Friday afternoon's meeting at Macomber Hall of citizens of Connellsville and the mountain sections unmistakably demonstrated by the interested turnout that the determination to fight for the completion of Route No. 366, better known locally as the Connellsville-to-Farmington highway, has not abated.

With Chairman A. M. Haines presiding an enthusiastic session was held and the fight was again declared "on." There will be some more road built over that mountain, this summer or the people of Connellsville and the mountain districts will know why.

Senator Guy W. Brown and Representative J. H. Henderson were both present and each pledged himself to do all in his power to get the road through. They promised the Highway Department would "not be allowed to forget" Route 366 and one or the other would be continually bringing the subject.

Chairman Haines said the county commissioners, when in Harrisburg in the near future, had promised to visit the highway heads and press for the road. It was decided to have an executive committee nominated, to be presented at the call of the chair, when they will be ratified. Then it is planned to have some of these men go to Harrisburg when the commissioners do and stick right with them to be sure they do not allow the visit to the highway superintendent slip their minds.

"I will help you get as much of this road as possible," said Senator Brown. "You can't go to Ohioville but you will probably get part of it. No. 366 is on the preferential list for Fayette county. I know this as I visited the Highway Department Thursday to make sure."

Chairman Haines had in mind asking the county to endeavor to secure some of the surplus of the road bond issue, which will be left by counties not able to match the state aid, to be used in getting an extra half-mile, plus the three practically assured. This additional distance would carry the improved section to Normalville and prevent the necessity of another long detour when, in the following year, the building program is again resumed.

Senator Brown said he doubted if the road would be taken to Normalville. He said it was expected to get a survey shortly and added that he believed the people were taking the right action in keeping the movement alive and in the meantime at Harrisburg. He declared he believed that if the plans were completed this winter, the contractors could be let early in the spring and possibly the road could be finished in the summer.

Representative Henderson made his attitude plain. He stands squarely in favor of the road and assured the meeting he was there to see the proposition through.

Francis Brady, state road inspector, who supervised the construction of the highway over the mountain as far as it has been completed, told the men they had in it the best road in the county and also the most expensive. He said that hauling was the greatest expense and that this could be reduced if a suitable quarry of stone could be located. He suggested that while a section of road was being asked for it might just as well be for five miles as three.

John W. Harbaugh represented the Mill Run district and J. B. Jackson was present from Ohioville. There was a better attendance at the meeting than had been expected, nearly every available chair being occupied.

### Perryopolis Girl Wins Essay Prize

The prize winners in the essay contest that was conducted by the merchants of the Charlestown Chamber of Commerce were announced today. The contest was held for high school, junior high school and elementary grade schools. The title of the essay was "Why We Should Shop in Charlestown."

## ANTI-JAPANESE JINGOES MAKING MESS OF THINGS

By Their Ill-Advised Agitation, Foolish Actions and Loose Talk.

### RESOLUTION OF BRITTEN

To Call Conference of "White Nations On Defensive Measures" Does Not Represent American Sentiment; Confusing, Not Clearing, Situation.

By DAVID LAWRENCE  
Copyright, 1924, by The Courier.

WASHINGTON, Dec. 20.—The same old story—shall Congress or the Executive conduct the foreign relations of the United States—has cropped out anew.

Having offended Japan by restrictive legislation last summer, Congress is again the scene of debate the effect of which it is anticipated will not help relations between Washington and Tokyo and may, on the other hand, make even more difficult the already great burden on the President and Secretary of State in keeping official intercourse with Japan on a friendly basis.

It all started through the clamor for a bigger navy, but it was intensified by the isolated action of Representative Britten of Illinois, Republican, a ranking member of the naval committee, who asked the House of Representatives to adopt a resolution authorizing the President to call on the "white nations bordering on the Pacific" to confer on defensive measures.

Mr. Britten's idea doesn't represent the sentiment of Congress but when coupled to Japan explanations are not always made of the exact importance of each resolution. Coming as it does at the same time that the clamor for a larger navy, and the Japanese in the Pacific, the Britten resolution annoyed the Department of State to the extreme.

The President had just started a campaign of denial through the press hoping that the jingoes would be squelched. But he had hardly finished that when the resolution to get up a conference of the nations bordering on the Pacific was launched as a banquet of representatives of the chambers of commerce of Pacific Coast states and representatives in Congress from the coast.

Several of the Pacific Coast members, including Chairman Johnson of Washington of the House Immigration Committee, are insisting that the Britten resolution is unwise and that it does not represent the true sentiment of the people of the United States who live in the Pacific coast region.

But some of the damage has been done and the executive branch of the government realizes it so much that Secretary Hughes broke a precedent in the last 24 hours by commenting officially on the appointment by Japan of a new ambassador. He took occasion to speak in complimentary terms of the new envoy and Japan knows that his purpose was to deny any ill-feeling that might have been caused by the recent anti-Japanese agitation and the implications of the talk about a greater navy.

The executive branch of the government feels that if the two governments are left alone, and public opinion is not influenced by untoward incidents or provocative action in the legislatures of either country, the relations between Japan and the United States will be improved and a way ultimately will be found to remove the causes of the present irritation.

Meanwhile, the American government is endeavoring to do all in its power to convince the Japanese people that there is no hostility on this side of the Pacific. Although Washington cannot influence the states, it would be most gratifying to the Administration here if some demonstration of friendship came from the Pacific Coast people to offset the impression conveyed by the Britten resolution, which purported to represent Pacific Coast opinion.

## Music, Spelling Bee and Eighth Grade Reading Are Added to H. S. Contests

First of New Ones Will Be Music Events at Perry Township High, March 23.

### LOVING CUPS THE PRIZES

Four new contests are billed on the Fayette county interhigh school literary contests that are held annually under the auspices of the county school directors' association. They are wind and stringed instrument music, eighth grade reading and spelling bee. Particulars regarding the eight contests which are to be held next spring were sent to every high school in the county.

This will be the fourth year of the contests. The first, in 1922, was held in the Uniontown High School. The years 1923 and 1924 found the contests held at other high schools.

The dates for 1925 contests have been set.

The select oration contest will be held at Belle Vernon High School on March 2, in the Methodist Episcopal Church. The I. C. Sutton Loving cup and a \$200 scholarship are the prizes.

The Dimbar (township) High School Auditorium at Leisenring No. 1 will be the scene of the reading contest on March 3. The award is the C. L. Brownfield loving cup and a \$200 scholarship.

The George L. Moore loving cup and a \$200 scholarship are the awards for the original oration contest at the Fairchance High School on March 16.

The first two of the new features will be held at the Perry Township High School at Perryopolis on the night of March 23. They will be music contests, both wind and stringed instruments, each in a separate part. A loving cup will be awarded, while an effort is being made to get a scholarship. The rules of the music contest provide for any instrument, with piano accompaniment; stringed instruments, with piano accompaniment, the second and no accompaniment is necessary if the contestant so desires. The accompanist must be a student from the same school.

A spelling bee and reading contests will be held at the German township high school at McElhattan on the night of March 30. Part "A" will be the spelling bee contest, with three eighth grade pupils from each district participating. "B" is the eighth grade reading contest. The rules for the latter provide that each district shall select by competition during the weeks preceding March 30 the three best spellers and bring them or have them come to the German township high school. The reading contest is to be chosen in the same way. The W. A. Lindstrom loving cup is the award for the spelling bee and the John S. Carroll loving cup will be given to the winner of the reading contest. These are the other new contests that have just been added.

The question, "Resolved, That the United States Should Maintain a Navy of Sufficient Strength for Police Duty Only, Regardless of the Policy of the Other Nations," will be debated. The first will be held on the night of March 6 and others will be held weekly until the end of the schedule that will be announced when the number of entries are known. The J. Buell Snyder loving cup, donated by Senator Guy W. Brown is up for the award and two \$200 scholarships to the University of Pittsburgh will also be given.

Regarding the debates, it was announced that they will be run on the basis of a baseball schedule. The winner will be the school having the best percentage at the end. Two points will be given for every victory.

As an added attraction, the University of Pittsburgh will entertain at a banquet in one of the university halls all the high school debaters and contest participants. Other forms of entertainment will be furnished making it all in all a very wholesome visit for the boys and girls.

Each school is privileged to enter. Continued on Page Six.

### COMPERS CUTS WIFE'S SHARE TO MINIMUM

WASHINGTON, Dec. 20.—The will of Samuel Compers, probated here in 1912, left the bulk of his estate to his three sons and allotted to his wife the minimum amount required by law. The value of the estate was not made known.

The will was drawn November 8, 1912, to supersede the one made in 1911, when he married his second wife, leaving his entire property to her.

### Evangeline Booth May Visit Uniontown

An effort is being made by the Uniontown Kiwanis Club to have Commander Evangeline Booth, head of the Salvation Army in the United States, to deliver an address in that city.

## CIVIL WAR IMMINENT IN RUSSIA

Red Troops Supporting Trotsky by Mutiny and Many Are Killed in Clash.

### UNREST IN THE ARMY

Two Generals Reported Out Publicly For Trotsky and Against Vinogradov People Angered by Circular Branding Handed Leader as Traitor.

By United Press.  
BERLIN, Dec. 20.—Red troops supporting Leon Trotsky mutinied at Moscow and arrested M. Stalin, secretary-general of the Communist party, imprisoning him in their barracks, according to a dispatch to the Berliner Zeitung.

The troops, the report said, were angered by a circular branding Trotsky as a traitor.

Premier Rykov went to the barracks and sought unsuccessfully to bring Stalin's release, which was agreed to only on condition that he resign the secretaryship of the Communist party.

Loyal troops, according to the report, then stormed the barracks and many were killed in the fighting that ensued. Two generals are reported to have come out publicly for Trotsky, while the latter's supporters seized and occupied public buildings in many parts of Russia. It is reported that supporters of Trotsky in Nizhny-Ogorsk and Kasan overwhelmed backers of Vinogradov.

The dispatches conclude: "It is believed that in other cities the conflict between Trotsky and Vinogradov has assumed the character of a civil war."

### MORE MONEY NEEDED IN SALVATION ARMY'S KETTLES ON STREETS

The Salvation Army kettles on the streets are not being patronized as they should, if the money thus received is to go far toward bearing the expense of Christmas dinners for the needy of the city and community. Adjutant L. J. Parkins said the receipts Monday were \$10, Tuesday \$11, Wednesday \$5, Thursday \$15 and Friday \$13. The demands are twice as great as a year ago, the adjutant said.

Each family who is found to be in need, after proper investigation of the application, will be supplied with a basket of staples for the Christmas dinner. Distribution will be made the afternoon of December 24. Before they are sent out the baskets will be viewed by members of the advisory board and others.

Besides Connellsville and South Connellsville the Salvation Army looks after needy at Dunbar, Dawson, Vanderhill and Everett and other smaller communities nearby the city.

### White Christmas Over Nearly Whole Country Forecast

By United Press.  
WASHINGTON, Dec. 20.—A "white Christmas" was forecast by the United States Weather Bureau today. In its regular weekly weather forecast, the bureau reported the probability of cold weather and snow in every portion of the United States except the extreme South and West.

Each family who is found to be in need, after proper investigation of the application, will be supplied with a basket of staples for the Christmas dinner. Distribution will be made the afternoon of December 24. Before they are sent out the baskets will be viewed by members of the advisory board and others.

Besides Connellsville and South Connellsville the Salvation Army looks after needy at Dunbar, Dawson, Vanderhill and Everett and other smaller communities nearby the city.

### BAILEY LOSES ANOTHER ROUND

PHILADELPHIA, Dec. 20.—The position of Warren W. Bailey, defeated Democratic congressional candidate from the 29th district, for a re-hearing of the appeal on the election case in Cambria county was dismissed by the State Supreme Court today.

The election case was recently heard by the court and Anderson H. Walters, Republican, was certified as congressman. Bailey entered an appeal for a new hearing and this was refused. He then requested a re-hearing for an appeal.

### Four Additional Scarlet Fever Cases Reported

Four new cases of scarlet fever were reported today by physicians to the Board of Health. One of the patients is Miss Mary Davidson Newmyer of Pittsburgh, who is spending the winter with her aunt, Mrs. Isabel Evans at 517 South Pittsburgh street. She has been ill for a week.

Others are Mrs. Pearl Sweeney, 216 South street; Elma Holt, 15, a student, 416 Cottage avenue, and "Baby" McCormick, two years old, Apartment 12, White Front.

### Greater Activity In Christmas Seals

The sale of Christmas Seals is taking on new activity since the establishment of booths in the postoffice and several stores in the city.

The quota for Connellsville is larger this year than before. In order to meet it Christmas shoppers will have to become liberal buyers of the little tokens which serve as an attractive decoration for all Christmas packages and for the back of envelopes enclosing ordinary mail and Christmas cards.

### H. B. Moon Injured By Fall From Car

H. B. Moon, Baltimore & Ohio conductor, was thrown from a coal car at Gaffey station, near West Newton, yesterday. Several ribs were broken and his left leg was bruised. He was working a "bump-handle" brake when it came loose.

He is at his home at 132 Snyder street under the care of a physician.

### Baileys-Matthews.

Announcement of the marriage of Miss Maude Baileys, daughter of Mr. and Mrs. J. M. Baileys of Uniontown and Orville H. Matthews, son of Mr. and Mrs. J. A. Matthews of Smithfield, was made at a bridge party given last evening by Miss Helen King at her home in Uniontown. The wedding took place in Pittsburg, June 24, last and came as a surprise to the many friends of the bride and groom. The bride was graduated from Bethany College and is a member of the Alpha Xi Delta and the Alpha Phi Epsilon fraternities. She has been a teacher in English in the Uniontown High School for the past three years. The bridegroom is manager of the J. A. Matthews and Sons store in Smithfield. Mr. and Mrs. Matthews will be at home at Smithfield after January 1.

### Lutheran Bible Class.

The Ladies' Bible Class of Trinity Lutheran Church met last night at the home of Mrs. John Zimmerman, East Crawford Avenue. The president, Mrs. C. H. Storer, conducted the lesson. Interesting readings on Christmas were given by Mrs. Harry Ducker, Mrs. S. G. Zimmerman, Mrs. Caroline McMullen, Mrs. J. W. Cable and Mrs. Louise Reynolds. Mrs. Carl Zimmerman played a piano solo. Frances Clabaugh sang two Christmas songs. Lunch was served by a committee composed of Mrs. John Zimmerman, Mrs. B. G. Zimmerman and Mrs. E. B. Zimmerman.

### Boersbacher-Atkinson.

Miss Alma Boersbacher, daughter of Mr. and Mrs. John Boersbacher of Jeannette, and Ralph B. Atkinson, son of Mrs. W. D. Atkinson of South Greensburg, were married Thursday night in the parsonage of the Reformed Church at Jeannette. Rev. Ira S. Allen, the pastor, officiated. The bridegroom was graduated from the Greensburg High School and State College. Mr. and Mrs. Atkinson will reside at Greensburg where the former is chief clerk for the West Penn Power Company.

### Mrs. Graham Hostess.

The Busy Twelve Club was delightfully entertained last evening by Mrs. Albert Graham at her home in South Ninth street, Greenwood. Twelve members and two guests were present and spent a very enjoyable evening at fancywork. The hostess served dairy refreshments. Decorations in keeping with the Yuletide season prevailed. The next meeting will be held Friday evening, January 16, at the home of Mrs. Harry Morgan in South Ninth street, Greenwood.

## Institute Ends This Afternoon With Fine Talks

The tendency to slip through life as easily as possible, taking the course of least effort instead of working to get something, was declared at the opening of the fourth day's session of the fifth annual combined teachers' institute of the Conneltsville City and Dunbar Township schools at the High School here this morning.

Dr. I. C. Keller of California, state Normal School, was the speaker. His topic was "One Outstanding Weakness in Modern Education."

The other educator on the program was Dr. G. V. Kibby of the Department of Public Instruction at Harrisburg. His subject was "Blackboard Teaching as an Aid to Various School Subjects."

The musical entertainment, consisting of a vocal solo by Miss Helen Claybaugh, Dr. W. H. Herlick, pastor of Trinity Lutheran Church, conducted the devotional exercises.

This afternoon Dr. Keller was scheduled to talk on "The Teacher's Community Influence and Another Address was to be made by Dr. Kibby on "The Real Significance of Art for Life's Sake." The closing talk was by Dr. F. A. Wilson on "Nature and Function of History."

Features were a vocal solo by Miss Leona Belle Morcy and a piano solo by Carl I. Anstine.

## GOOD PROGRAM GIVEN BY PHILO SOCIETY OF PERRY TOWNSHIP HIGH

The Philo Literary Society of the Perry Township High School carried out a literary program in the high school auditorium at Perryopolis yesterday afternoon. As it was the last day of the school prior to the Christmas holidays, the grade school pupils attended in a body.

The feature of the program was a debate "Resolved, That Argentina Has a Better Future Before It Than England." Meredith James and Tedden Thorpe discussed the affirmative side and Charles Blair and Thelma Runster spoke in behalf of the negative. The affirmative won the decision.

## What This Consumption Curve Means to Motorists!

IN rapidly increasing numbers, motorists are learning of the lubricating properties in Freedom Perfect. Notice the curve — two and one-half years ago this new motor oil was first announced — steadily, its popularity has increased until, today, thousands of motorists ask for it by name.

There is but one reason. Motorists are realizing that "taking care of a car" means "lubricating" it properly. They are demanding, not only an oil made from 100% Pennsylvania Crude,

but the most protective oil made from 100% Pennsylvania Crude. They are trying Freedom Perfect and are finding it just what it is — the latest development, the perfected product of an organization which for 45 years has specialized in the refining of Paraffin Base Crudes.

The booklet "Oil Facts" explains motor car operation in detail, motor oils in general, and Freedom Perfect in particular. It is free. Ask your dealer for a copy — or write the address below.

*Freedom Cylinder and Engine Oils for factory use are of the same high quality as Freedom Motor Oils.*

## REV. JOHN HACKETT IS TRANSFERRED TO PITTSBURG PARISH

Mount Pleasant Rector Will  
Have Larger Work, With  
Two Assistants.

### AS EXCELLENT MANAGER

During His 10-Year Stay Church and  
School Debts Have Been Cleared  
And Value of Property Enhanced;  
James Cox Under Operation; Notes

Special to The Courier.  
MOUNT PLEASANT, Dec. 20.—Rev.  
John Hackett, rector of St. Joseph's  
Roman Catholic Church, will on Janu-  
ary 8 go to St. Andrews, Northside  
Pittsburg, to take charge of that par-  
ish. He will have two assistants.  
Rev. Hackett took charge of the St.  
Joseph's Church following the death  
of Father O'Donnell and has during  
the past 10 years been a most  
successful pastor. He is an excellent  
manager as well as pastor. Since his  
pastorate began the church and school  
debt have been cleared.

No rector will be chosen until the  
conference to be held January 13.

Infant Dies.  
A funeral service was held at St.  
Joseph's Church yesterday morning  
for John Waters, the nine-months-old  
son of Mr. and Mrs. James Waters.  
Interment was made in St. Joseph's  
Cemetery.

Institute Closes.  
The Mount Pleasant Institute  
closed on Wednesday for the holiday  
vacation and will open again on Janu-  
ary 7. Miss Emmaline Rublee, who  
has charge and who recently under-  
went an operation at the Memorial  
Hospital, is getting along nicely and  
is able to sit up. Miss Evelyn Pabel,  
assistant piano teacher, took over as  
many of Miss Rublee's students as it  
was possible to teach.

James Cox Under Knife.  
James Cox of the Cox Theatre, who  
has been undergoing treatment in  
Pittsburg for some time, yesterday  
was operated on at a Pittsburg hos-  
pital. Mrs. Cox went to Pittsburg to  
be with him during the operation.

Personal Mention.  
Miss Edith Reese, daughter of Mr.  
and Mrs. Jerry Reese of Main street,  
a student at California Normal, Miss  
Barbara Sobray, a student at Indiana  
Normal and James Shields, a student  
at W. & J. are home for the holiday  
vacation.

More Scarlet Fever.  
An additional case of scarlet fever  
was reported to the Board of Health  
Friday. The patient is Clinton  
Snyder, Jr., 615 Blackstone avenue.  
West Side three-year-old son of Mr.  
and Mrs. Clinton R. Snyder.

## SUCCEEDS OF ROAD MEETING.

To have received the very hearty assurances, given by Senator Brown and Representative Henderson, that the agreement between the County Commissioners and the State Department of Highways providing for the construction of the Connelleville-to-Farmington road, will be kept in both spirit and letter, and that the building of additional sections will be on the program for 1925, fully meets the expectations of the persons who suggested the public meeting held in Connelleville Friday afternoon.

There has been no lack of confidence in the persistence and industry of our representatives in the General Assembly in looking after the interests of their constituents, but it was felt that it would be a good thing to revive public interest in the project so that the road authorities will themselves know that the people in the territory served by this important highway are so strictly on the job of securing its completion.

The meeting served these purposes in an excellent way and gave new proof of the potency and effectiveness of cooperation among the people of a community whose interests are mutual. The State Highway Department and the County Commissioners now know what the people of Connelleville and the mountain townships confidently expect. They are not disposed to be unreasonable in their demands but they merely wish to have their claims for a share of road funds with the vigor necessary to show that they are in earnest, and will be duly appreciative of the favors they may receive at the hands of those who have the final word as to where, when and what mileage is to be constructed.

The adoption of the suggestion to create an executive committee to outline a three-year program was a very wise step. Such action will be assurance that the campaign to carry this road to ultimate completion will progress systematically and that interest in it will not be allowed to abate.

The meeting may, therefore, be said to have fully accomplished its purposes and done even more. It was another occasion whereby the people of the city and the mountain townships were brought together as a means of strengthening the relationships which should exist between them and cause each to feel that they are dependent upon the other for the accomplishment of things which are worthwhile.

WHY COKE PRICES HAVE NOT ADVANCED.  
It is by no means surprising that the price of coke has not yet been advanced proportionately with the increase in the cost of production which will result from the restoration of the September, 1920, scale by the independent operators.

This action came so much in advance of the time the region generally regarded as opportune or necessary, and was taken so precipitately and without previous understanding among the producers, that the trade requires sometime for adjustment to the conditions that will be imposed.

Furthermore, coke makers are merely exercising business prudence and foresight by refraining from making efforts to buy or to sell coke. The former do not relish the addition of \$1.00 or more to the cost of fuel to be used in making pig iron already sold, or for which there may be some uncertainty as to their ability to secure a corresponding increase in price.

The coke makers are by no means disposed to enter into negotiations for disposal of their product unless they, too, have assurance that the increased cost of manufacture, or more, is taken into account in determining the starting point of negotiations.

Under the circumstances the attitude of waiting, which both buyers and sellers have assumed by common accord, is the logical outcome of the situation. It can, however, be reasonably expected that coke prices will advance, but not until the market has been adjusted to conditions, the development of which was wholly unexpected and for which there was no preparation to be made.

Coke makers must have prices which yield a fair profit which has not been possible of realization during the protracted depression. In proportion as they fail to be so remunerated will the expansion of the beechy coke trade lag behind in what is the beginning of a new era of general industrial prosperity.

The hope is very generally expressed  
that the long overdue cold wave  
will not over do things when it ar-  
rives in full force.

With but one more Sunday before  
Christmas it will not be contrary to  
the spirit of worship at church for  
you to give thought to how you can  
make this year's distribution of sea-  
sonal favors more complete than ever  
before, and how you can increase the  
number of hearts to which you can  
bring genuine good cheer.

Going after road improvements is  
like advertising. Success comes to  
those who keep everlastingly at it and  
who hustle while they wait.

The change to what promises to be  
real Christmas weather makes it more  
urgent than ever that we keep the  
Christmas keelies of the Salvation  
Army boiling up to the last moment  
of the Night Before.

Remember that Christmas, Seals  
make an attractive and fitting decora-  
tion on all Christmas mail.

Coke operators have enough of the  
childish faith in Santa Claus to hope  
he will put a good price increase in  
their Christmas stockings.

School Tax Levy Cut 12 Mills.  
The school board of Radnor  
township has made a reduction of 12  
mills in the levy for school taxes for  
1925. This will mean a saving of  
about 40 per cent in the school taxes  
at each taxable.

## Just Folks

Edgar A. Guest.

## THE GOOD BOYS HOPE.

I've been as good as I can be  
A couple of weeks or more;  
I've studied my work, as you can see.  
An' I've done it all in a row.  
I've done the very best I could  
To make them proud of me,  
And now I hope I'll be as good  
As I have tried to be.

When they have said "goodnight" to me,  
"Goodnight" to them I've said,  
I've bowed to all the company.  
An' I've said "goodnight" to each,  
I've done a kindly deed each day.  
An' sometimes two or three,  
When I've said "goodnight" to each,  
I'll be as good as I can be.

I've tried to please 'em, day and night,  
I've picked up all my books,  
I've studied my work, as you can see.  
I've done the very best I could  
To make them proud of me,  
And now I hope I'll be as good  
As I have tried to be.

Whatever they have wanted I  
I've done for them without  
Once looking at them, I've  
or humming things about.  
And so around our Christmas tree  
I hope to find somehow  
That they have been as good to me  
As I am being now.

### Among The Churches

**TRINITY EPISCOPAL**—Corner Fairview avenue and Prospect street, Gilbert Good, vicar. The fourth Sunday in Advent. Church school at 10. Children's sermon subject, "Jesus and Santa Claus." Morning prayer and sermon at 11. Sermon subject, "Simplicity and Mystery." On Christmas Day there will be a choral celebration of the Holy Communion at 10 o'clock in the morning. All members of the parish are urged to plan to make their Christmas communion at this service. Everybody will be cordially welcomed to all services.

**METHODIST PROTESTANT**—West Erie street, J. H. Lamberton, minister. Class meeting at 8. Sunday school, 9:45. Morning worship at 11. Subject, "The Song of the Heavenly Host." Several Christmas anthems will be rendered at this service. Junior Christian Endeavor at 3. Intermediate Christian Endeavor at 6. Senior Christian Endeavor at 8. Topic, "The Christmas Story in Poetry and Song." Leader, Mrs. E. N. Sildaway. In the evening at 7:30 the choir, under the direction of William Griffiths, will render a Christmas cantata, assisted by several instrumental numbers by the church orchestra. All lovers of vocal and instrumental music are cordially invited to be present. The Wednesday evening prayer meeting will be in keeping with this season of the year. Topic, "If Every Day Were Christmas." Pastor will preside.

**SUMMIT METHODIST PROTESTANT**—J. H. Lamberton, supply pastor. Sunday school at 2. Preaching at 3:15. The pastor will bring a message in keeping with the occasion. Senior Christian Endeavor prayer meeting at 7:30 o'clock. Regular Thursday evening prayer and praise service at 7:30 o'clock.

**FIRST UNITED BRETHRENS**—Lincoln avenue and Race street, J. H. Bridgman, pastor. Sunday school, 9:45. Morning worship, 11; subject, "If Christ Had Not Come." Juniors, 2. Christian Endeavor, 8:30. **FIRST BAPTIST**—E. H. Stevens, minister. Bible school, 9:45. "The Christmas Message." What might this world be had Jesus not been born? Morning worship, 11. Special music and program. Sermon, "What It Means to Us That Jesus Came." Anthem, "What Men These Holy Voices." Anthem, "Message So Wonderful." Solo, "The Christmas Story." The great advent hymn will be sung by the congregation. B. Y. P. U. at 8:45. Theme, "The Christmas Story."

**FIRST BAPTIST—Dunbar**. Sunday school meets at 9:45. The usual Christmas treat will be distributed. Preaching at 11; topic, "The Object of a Revival." Preaching at 7:30. On Sunday evening, December 23, evangelistic meeting will begin, conducted by Rev. A. A. Blanka, with H. D. Shearer in charge of the music.

**FIRST METHODIST EPISCOPAL**—Bonnett W. Hutchinson, S. T. D., pastor—Christmas will be observed at Sunday school and both public services. The minister will preach at 11 on "There Was No Room at the Inn." Is there a place for Jesus Christ in this life today? Morning worship at 9:45. At 7:30 several timely questions will be considered. Is not the Santa Claus idea a heathen notion and Christmas as now observed harmful to Christianity? Will you give an estimate of the character of Samuel Clemens and the effect of his death on labor? Where is God? Can you prove that there is a real God and who is alive and doing things today? What is the use of praying? Do you know certainly that any good comes from prayer? An appropriate service will be held on Christmas evening at 7:30, one hour in length. Come.

**FAYETTE UNITED BRETHRENS**—Rev. C. Edward Shannon—Fairview: Sunday school, 10; preaching, 11; Christian Endeavor, 7:30. ## ECZEMA IN RASH FOR TEN YEARS

On Face, Neck, Arms and Body. Itched and Burned. Cuticura Healed.

"My trouble began when I was about eight years old. It came back out in the form of a rash on my face, neck, arms and body. At first I had to wear gloves because the itching and burning were so intense that I rubbed the affected parts, which made it worse. The trouble lasted about ten years. I began using Cuticura Soap and Ointment and they helped me. I continued the treatment and in two or three months I was healed. (Signed) Miss Evelyn Herrick, 414 Magnolia St., Rochester, N. Y.

## MOTHERS AND THEIR CHILDREN

Wearing an Overcoat.

One Mother Says: I used to scold my little boy because he would run out into the cold and bring snow without his overcoat. I came to realize that a dummy outfit hampered him in his play. Now I put extra warm undershirts on the little fellow and a close-fitted woolen sweater of which he is very proud. In this outfit he can run like the wind.

## Xmas Greetings

Bebe Daniels, Paramount star, one of the most popular of the screen idols, says that she has "acted" many Christmas Greetings, but never before has she really spoken one to her many movie loving friends until she made a Christmas Greeting record. And did you know Bebe could sing? Well she can and her record is evidence that she could have been a successful in a vocal career as she is on the screen.

In her Christmas Greeting she compares the Christmas of today and that of yesterday. The beauty and faith of Christmas are just the same, but today we have so many more wonderful ways of expressing our happy wishes, and enjoying the remembrances of others.

Bebe's record will be most popular as her many friends will enjoy hearing the voice of their screen favorite whom they have seen so many times.

## I. T. U. to Inaugurate Correspondence Course For Printers on Jan. 1

INDIANAPOLIS, Dec. 20.—Inauguration of a new correspondence course in the printing arts, under direction of the newly organized bureau of education of the International Typographical Union will take place January 1, according to an announcement by James M. Lynch, president of the union.

The instruction will cover a wider field than was covered by the course recently conducted from the union's educational quarters in New York City. The new bureau occupies quarters in the International Office here. John H. Chambers of Dayton, Ohio, is the new director of the educational bureau, the teaching staff of which has been enlarged.

Energy and resources of the union will be devoted to extending work of the educational bureau as rapidly as is practical, Mr. Lynch said.

"The newly installed executive council looks upon apprentice training as of vital importance," said Mr. Lynch. "The I. T. U. is protective and beneficial institutions such as the Union Printers' Home at Colorado Springs, Colo., mortuary benefit and old age pension, have accomplished much in strengthening the organization, but future welfare of the union requires elevation of craftsmanship and sound education of succeeding generations of printers.

"Employers do not object to paying good wages to good printers but they will complain against good wages for incompetent men. The same applies to any other trade. It is our ambition to light the way for other trades in this problem of education."

Under by-laws of the Typographical Union passage of the course in printing for apprentices is compulsory. They are required to begin their educational work in the third year of their six-year apprenticeship and the work must be completed before they are admitted to membership. The new bureau will provide adequate methods for checking up the progress of each apprentice in his studies and for determining if he has profited by his studies.

In addition to the merely technical operations of the printing craft, the course will carry instruction in English, punctuation, art in its relation to printing, and in advertising composition. The policy of permitting the student to elect subjects, not included in fundamental course, will be pursued.

"Instructors will endeavor to engage the interest of each student by offering individual attention to his needs and by writing personal letters," said Mr. Chambers. "Whenever possible, too, a 'big brother,' for the apprentice will be selected from the printers in the shop where the lad is employed. The 'big brother' will be in correspondence with the bureau and will be advised of the student's progress and of his difficulties from time to time.

"Apprentice committees are maintained by local unions and are charged with responsibility for welfare of apprentices. Those committees will be provided with all information needed for encouraging progress in studies and will be expected to see that each apprentice begins the course at the proper time and that he completes it satisfactorily before his admission to the rank of journeyman. While the course is designed for beginners, educational work will be provided also for journeymen who wish to perfect themselves in advanced phases of the printing art.

Test questions for use in examination of apprentices by local committees will be supplied by the bureau.

## SCOTSDALE CHOIRS WILL SING MUSIC OF CHRISTMAS SUNDAY

Excellent Program Arranged  
by Director Pearl Keck  
at Presbyterian.

### OTHERS ARE HIGH CLASS

Special to The Courier.  
SCOTSDALE, Dec. 20.—Christmas  
music will feature services in the  
churches tomorrow, it being Christ-  
mas Sunday.

At the Presbyterian Church, Miss  
Pearl Keck, the director of the choir,  
has arranged good programs for  
morning and evening. At the morn-  
ing service an anthem, "There were  
Shepherds," by Birch, will be sung  
by the choir; also a trio, "Star of  
Bethlehem," by Mrs. G. F. Kelly, Lex  
Porter and E. L. Rutherford.

In the evening there will be an en-  
tire program of Christmas music,  
with a talk by the pastor on music  
in the church. The program for the  
service is:

Anthem, "O Quiet Night."

Solo, "The Birthday of a King."

Mr. Porter.

Anthem, "It Came Upon a Midnight  
Clear."

Solo, Mr. Rutherford.

Anthem, "O Little Town of Bethle-  
hem."

Duet, "The Message," Mr. Ruther-  
ford and Mr. Otto.

Anthem, "O Come to My Heart."

Lord Jesus.

The personnel of the choir is:

Soprano, Mrs. G. F. Kelly, Mrs.  
R. B. Minter, Mrs. W. M. Moyer and  
Mrs. J. Evans.

Alto, Mrs. W. B. Barnhart, Mrs.  
W. A. Gordon, Miss Evelyn Cramer  
and Miss Jean Mier.

Tenors, E. L. Rutherford and Lyle  
Hough.

Basses, Lex Porter, J. R. Campbell,  
W. B. Barnhart and W. E. Barnhart.

Director and organist, Pearl Keck.

The United Presbyterian program  
will be given in the church auditor-  
ium in the morning. The choir will  
render anthems. The remainder of  
the program is made up of recitations  
and songs by the children. H. A.  
Hewes, secretary of the Y. M. C. A.,  
will deliver an address.

The Methodist Episcopal Church  
will hold its services in the church  
auditorium when the program, "In  
the Pathway of Time," will be present-  
ed. In charge of the program is the  
Sunday school superintendent, D. P.  
Dyals, assisted by Mrs. C. W. Stan-  
ley, Mrs. Curtis Farmer, Mrs. H. C.  
Fox, Miss Louise Kerr and Miss  
Manuela Lewis.

Christmas exercises will be held at  
the Methodist Church in the evening  
at 7 o'clock, when a program will be  
given by the members of the Sunday  
school.

Community Tree Release.

Tomorrow afternoon at 3 o'clock  
at the Methodist Episcopal Church  
Robert Dinkell who will have charge  
of the singing for the community  
Christmas tree, all members of  
choirs and musical clubs of Scottdale,  
along with all other people who are  
in take part will release the hymns  
that will be sung at the tree Thurs-  
day evening.

Board Sale Authorized.

At a special meeting of the school  
board on Thursday evening, the board  
authorized that proper steps be taken  
for the sale of the \$100,000 bond  
issue voted on by the people at the  
last election.

Music Clubs Meet.

The Junior Auxiliary Musical Club  
met on Tuesday evening at the home  
of Mrs. J. R. Campbell, a program  
of refreshments was served.

Automobile Stolen.

While Joe Balsano, the Pittsburg  
street fair merchant, was in Union-  
town Thursday evening, he parked  
his car near the Pennsylvania  
railroad siding while he attended to  
some business. He was gone but  
eight minutes when he found that the  
car was stolen. The car was a 1921  
Maroon Buick.

Christmas Postoffice Hours.

At the Postoffice Christmas day  
the money order and registry win-  
dows will be closed the entire day.  
General delivery and stamp windows  
will be open 7 to 11 A. M., 2 to 5 P.  
M., 5 to 7 P. M. There will be no  
morning collection and a delivery.

It's a family car. It's a business car.  
It's a camping car. The Overland  
Coupe-Sedan. A sensation in price—  
a manufacturing triumph that en-  
ables anybody to own a closed car as  
easily as an open car! Q Doors both  
front and rear—easy entrance, easy  
exit—no climbing over seats or feet.  
Front and rear seats both adjust for-  
ward and backward to fit tall and  
short people. Rear seat and uphol-  
stery are entirely removable—giving  
50 cubic feet of square carrying space  
for anything and everything a sales-  
man, merchant, farmer or housewife

wishes to carry. Both seats quickly  
make into a full-length bed in the  
car ideal for camping trips. The only  
closed car at the price with a speedo-  
meter, foot accelerator, disc clutch,  
sliding gear transmission and COM-  
PLETE EQUIPMENT. Q A car that  
saves you money in price—and then  
saves you money right along, all the  
time. Big savings in gasoline and oil—  
less wear and tear on tires—strength  
and dependability that minimize up-  
keep. Come in and see this remark-  
able Overland Coupe-Sedan at our  
Closed Car show. Easy terms.

### One Game Separates Leaders in Bowling League; Tilts Monday

Connellsville's entry, the Manhattan  
Five, in the Inter-city Bowling League,  
will get another chance to jump into  
the lead in the duckpin tourney Mon-  
day evening when it clashes with the  
league leaders, Vanderbilt, at the  
Manhattan alley. The Tough Valley  
team is led by one game and in  
event that Connellsville wins two out  
of three the two contestants will be  
tied. Should Manhattan cap three,  
they will be in the lead by one game.  
In case they lose two, Vanderbilt will  
be sitting on the top of the world.

While the two leaders are fighting it  
out, Perryopolis will be the guests of  
honour at the Dickerson Run Y. M. C.  
A. rally. The Perry Pals are in third  
place and the Dickerson Run contin-  
gent is staging a come-back.

The standing of the league follows:  
W. L. P.  
Vanderbilt 12 4 367  
Connellsville 11 7 411  
Perryopolis 9 9 369  
Dickerson Run 4 14 222

Mix, can be truthfully acclaimed one of the best pictures of this star. The story is by George Scarborough and concerns a rich young rancher who is faced by the difficult problem of saving the girl he loves from a scheming scoundrel who has won her heart. The methods employed by the rancher to accomplish his end are original and entertaining. Mix gives the picture lots of action and, with the assistance of Tom Wilson, plenty of humor.

The Orpheum

"THE SAINTED DEVIL"—A Paramount picture in which Rudolph Valentino is seen in the titular role will open on Monday at the Orpheum for a three-day attraction.

With an excellent supporting cast, a story of dash and color, and rich settings which depict the Argentine and life in the Buenos Aires, "A Sainted Devil" is said to surpass even "Monstrous Beauty," which was received by critics and public alike with great acclaim. In this picture, which Forrest Halsey adapted from Rex Beach's story, "Rope's End," Valentino portrays the role of Don Alonso Castro, a spirited young South American who travels up and down the scale of love and who fights at the drop of the hat for the woman he loves.

Richard D'Algy has the role of Julietta, a dark-eyed, raven-haired beauty

who captures all the space in Don Alonso's heart despite the efforts of Carlotta, played by Rita Naldi. Donna Florinda, Dagmar Godowsky, and Carmelita, Louise Lagrange, who try to win him away. George Sigman has the colorful role of El Tigre, the wild bandit of the pampas, and other members of the cast are Antonio D'Algy, Joan Del Val, Roger Lottin, Isabel West, Raphael Bongini, Frank Montgomery, William Betts, Edward Elkes, A. De Rosa, Ann Brody, Evelyn Axzell and Marie Diller.

The Christmas attraction will be "Her Love Story" with Gloria Swanson in the leading role.

The Arcade

"SHE WALKED IN HER SLEEP"—That which pleases long and pleases many must have merit. It is an old adage which applies at the present time to the most amusing farce, "She Walked in Her Sleep," which is at the Arcade Theatre today. The situations are screamingly funny and the dramatist has dwelt upon the most innocent features of a most natural complication. Nothing of the risqué is really needed to make "She Walked in Her Sleep" one of the funniest farces ever presented and nothing but the best of comedy can be used to carry out this particular idea. For that purpose a perfectly balanced company of farceurs has been brought together to interpret the farce.

#### The Paramount

"ROUGH RIDIN'" showing today at the Paramount, presents Buddy Roosevelt in the leading role.

"Rough Ridin'" most decidedly is not a one punch picture. It teems with thrills, with three superpunches that top the others, any one of which would be sufficient to insure its success as an entertainment. One of the super-punches is the rescue of the heroine from death by Buddy Roosevelt, who grabs the girl from in front of an express train, atop a lofty trestle, another is a fall by Buddy and the villain over a high precipice into the river, and the third is Buddy's lifting of the heroine out of a speeding buckboard while Buddy is galloping alongside the rig at a breakneck pace.

Monday and Tuesday Laura La Plante will be seen in "The Dangerous Blonde."

#### The Soisson

"THE MARRIAGE VOW," featuring Monte Blue and Beverly Bayne, provides splendid entertainment today at the Soisson.

"Her Marriage Vow" is the story of young Carol who turns down a wealthy Ted Lowe to marry Bob Hilton who has only a very meagre salary check to offer. Most of her friends think she is terribly foolish. But her old grandmother with whom she has been living since the death of her own parents is glad that she chose love rather than riches.

The man who was "rejected" and who represented "riches" refuses to get out of the scene. He waits patiently, and when a little domestic difficulty opens up between Bob and Carol, in he steps and then the drama flows.

Wherever it has played, this picture has come in for a high degree of praise and popularity.

Monday, Tuesday and Wednesday, "A Son of the Sahara" with Bert Lytell and Claire Windsor in the leading roles will be shown. The Christmas attraction will be "The Only Woman," starring Norma Talanage.

#### The Orpheum

"THE HEART BUSTER"—With Tom Mix in the leading role, is the feature attraction today at the Orpheum.

A western romance of unusual interest is "The Heart Buster," from the story by George Scarborough. Set in the heart of the cow country in Arizona, the picture is the first in which William Fox has featured Tom

### County League Opens Here Monday; Unity Frat-Legion to Play

Uniontown Team Will Clash With Strong Coker Quintet in Opener.

#### WILL PLAY AT ARMORY

The opening game of the fastest amateur basketball league ever organized in Fayette county, formed this season with teams from Uniontown, Connellsville and Point Marion, and known as the County Basketball League, will be played here on Monday night.

The fast Legion quintet of Uniontown, composed of many of that city's stars, will be here to meet the strengthened Unity Fraternity and an exceptional clash is anticipated.

The game will be played at the State Armory as the headliner to follow a preliminary between the Howitzer team and the Celtics.

Three games in the league will be played the opening night. The one most important to fans here, however, is the one right at home. It will give Connellsville a first-hand opportunity to see their fans in action and the purple and gold squad is expected to become popular here this winter.

The preliminary game will be unable to start before 8:30 o'clock because of a special drill called for Monday, Christmas falling on Thursday, the regular drill night. The Howitzer-Celtic game will be cut to five-minute quarters to allow the main attraction to be staged.

Manager Whaley of the Legion has welded a fast quintet together but the Fraternity boosters are confident the team will excel this year. It is far and above what it was a year ago and the frat members themselves are quite anxious to see their representatives skirmish with the ex-soldiers.

The baskets at the Armory have been filled up and the floor has been in use several days. The lines were laid off yesterday and last evening the Frat held a light practice game with the Howitzer team. Only half the frat team was able to report but this quintet, for the first time on the floor, gave a good account of itself.

Driscoll, Seaton, Minnick, Francis and Higgins reported. Among those unable to attend were "Mickey" McCormick, Don LaRue, Harold Higg and "Red" Struble.

#### DICKERSON RUN NOSES OUT FIVE HORSEMEN, 14-13

The Mighel Irish, better known as the Trotter Five Horsemen, went down to defeat before the first Dickerson Run T. M. C. A. quintet last evening on the Trotter floor. The game was the hardest fought on the neighboring town's floor. The final score was 14-13.

This was the second game between the two teams, with each credited with a win. The Trotter contingent won the first, 36-23.

The Dickerson Run team wants to book some fast teams and has a drill at the Capitan Glass, Casey Club, Unity Fraternity and other clubs in the area.

For games, write James Brown, care Dickerson Run T. M. C. A. or call on either phone.

#### The Line-up: Trotter—J. Colbert, F. Miller, Harbaugh, P. Plis, Driscoll, C. Duffy, Jones, G. Bradley, J. Stoner, G. T. Burkey, Substitutions—R. Burkey for Plis, Field goals—Harbaugh 2, Jones 2, Colbert 2, Miller 2, Plis, Duffy, Bradley.

Point goals—Harbaugh, 2 out of 3; Miller, 2 out of 4; Duffy, 1 out of 3. Referee—Smiley.

#### Superintendents Take All Three From Casey Team

The Superintendents' Office took three straight games from the Casey Club in the City Bowling League at Elks Hall last night. The first was won by 10 pins and the remaining two by even more comfortable margins.

The score: SUPERINTENDENTS Robinson 101 98 174 437 Trump 140 177 101 438 Fisher 138 191 138 369 Shaw 125 102 223 450 Welsh 92 125 127 344 Payne 108 106

### High School Plays Again This Evening

The Connellsville High School basketball team will play here tonight with South Brownsville as opponent. The Cokers already hold one victory over the team from the other end of the county and hope to annex another this evening. The game will begin at 8:15 o'clock.

The quintet is really taking some form and when the regular season opens in January it is expected the boys will be able to give a worthwhile account of themselves.

The first game to be played in the W. P. A. League is against Uniontown High School at the county seat on that date. The Cokers are quietly preparing for the clash and Gallatin Gardens in Uniontown will be the scene of the first meeting between the two schools in 12 seasons.

#### PERRY TOWNSHIP WINS TWO FROM WEST NEWTON HI

The Perry Township High School dribblers scored a double win at West Newton last evening. In the preliminary game the Perry lassies won, 21-13.

Fast playing marked the boys' game, but the Perry contingent wouldn't take defeat and handed the West Newton "huskies" a set-back, 25-21.

#### Johnny Pollock Has Training Quarters at Vanderbilt Club Hall

Johnny Pollock, well known pugilist of Fayette county, is making his training headquarters at the Vanderbilt Athletic Club rooms. Pollock, who is said to be an "old timer" in the game although he is but young in years, is planning on staging a comeback. During the season of 1923 and up to this time, he has fought but once and was defeated on that single occasion.

Pollock has signified his intention of going into the ring as a professional. Recently he challenged Mack Mills, colored local boxer.

**Sport Notes.** The Scottdale basketball team trimmed South Brownsville last night, 30-12 at South Brownsville.

Uniontown High School, opening its season, defeated the Fairmont High School at the Gallatin Gardens, 46-22.

The Redstone High School won another game yesterday, again defeating Centerville, 28-13.

The Capitan Glass basketball team is about ready to take to the floor. The quintet has been practicing regularly and expects to be a factor in the floor game this season.

The Unity Fraternity is open to schedule games, mostly away from home. Practically all the home dates of the club are taken up by games in the County Basketball League, but on nights when not active in that circuit the team is desirous of playing away.

The South Brownsville basketball team, which plays at the High School here tonight, is under the wing of Ray Henry, a local lad, who teaches in the school there. Ray played for the Unity Frat last season.

Jimmy Cypher is going to find himself in a difficult position when the Casey Club and the Unity Fraternity meet on the floor this season. He is assistant manager of the former team and is a past president of the fraternity.

The Medical Detachment is negotiating for a game at Meyersdale. Dates have been secured but the soldiers will have to bring the visitors to this place.

High School now stands even in the pre-season games, having won two and lost two. The fifth game comes off this evening at 8:15 o'clock when South Brownsville will be met for the second time.

It's going to be a hard blow when the Uniontown High School basketball team is defeated. The club has won 11 straight games and is planning on going through the present season unbeaten. Even the mighty take a tumble, now and then.

The cold weather will add a lot of zest to the indoor season. When the chill winds blow young blood feels the need of invigorating exercise more than when the temperature is mild.
